
File # _____

New Federal Government Legislation (The Personal Information Protection and Electronic Documents Act - PIPEDA), requires all organizations collecting personal information to set policies to protect that information.

In compliance with the Act we have a written copy of our policies at Town Chiropractic and Coldwater Chiropractic available for any interested person to study.

Please acknowledge here that you are aware of these policies' availability and consent to this office continuing to collect and protect your personal information in compliance.

Name _____ Signature _____
